

## Section 2(ee) Recommendation

Date: March 26, 2025

Product: Miravis® Prime  
EPA Reg. No. 100-1603

Use: **Control of Vine Decline on Cucurbits**

State: CA

### Directions for Use

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- The user must refer to the federally approved labels for the above noted product and read and follow all directions for use, restrictions, and precautions.
- The user should have this recommendation in its possession at the time of use.
- This recommendation for use of this product is permitted under Section 2(ee) of FIFRA and has not been submitted to or been approved by EPA.

Apply 13.4-15.4 fl oz/A prior to planting or transplanting via soil directed application methods on the section 3 label for control of vine decline (*Monosporascus cannonballus*) in cucurbits. Make applications according to the Cucurbit soil application directions for use on the section 3 label. A second application can be made 14 - 21 days later. Follow all other directions for use, restrictions and precautions on the Miravis Prime section 3 label.
