\* *A Herbicide for the Control of Annual and Perennial Grasses in Bermudagrass and Zoysiagrass*

EPA Reg No. 432-1266

E.P.A. Est. No.

### ATTENTION

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This labeling must be in the possession of the user at the time of application.
- Read the label affixed to the container for Revolver Herbicide before applying. Carefully follow all precautionary statements and applicable use directions.
- Use of Revolver according to this supplemental labeling is subject to all use precautions and limitations imposed by the label affixed to the container for Revolver.

### DIRECTIONS FOR USE

Refer to the Revolver product label for General Use Precautions, Mixing and Application Instructions.

### USES

REVOLVER Herbicide is a postemergent sulfonylurea herbicide for application as a foliar spray. REVOLVER is intended for professional use on golf course turf, sports fields, commercial lawns, cemeteries, parks, campsites, recreational areas, home lawns, roadsides, schools grounds, and sodfarms to control cool season grasses and weeds from tolerant grasses.

Revolver is a trademark of Bayer AG.
