PRODUCT BULLETIN

FOR DISTRIBUTION AND USE ONLY WITHIN THE STATES OF FLORIDA and ALABAMA

FIFRA Section 2(ee) Recommendation: This recommendation is made as permitted under FIFRA Section 2(ee) and has not been submitted to or approved by the EPA. This product bulletin must be in the possession of the user at the time of application of the product. All applicable directions, restrictions and precautions on the EPA registered label are to be followed.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its label.

PRODUCT RECOMMENDATION:

T

ABSOLUTE® 500 SC Fungicide, or PROVOST® 433 SC Fungicide, or STRATEGO® Fungicide may be used in Bayer approved disease forecasting or risk index programs that take into account weather, field history, variety planted and other parameters. These programs, in some situations, use longer spray intervals and can reduce the number of seasonal applications required in low disease risk situations.

or MEDICAL And TRANSPORTATION Emergencies ONLY Call 24 Hours A Day 1-800-334-7577
