GENERAL INFORMATION

VERSATILE AGRA-MIX 5-0-3 is a plant nutrient solution designed with EDTA chelates for maximum stability and effectiveness. It is safe for both soil and foliar applications, stable across a wide range of soil or spray tank solution pH, and will not degrade in the presence of buffer adjuvants. This product should be used as part of a comprehensive Total Nutrition System® for optimizing soil/nutrient conditions for plant growth, development, yield and quality.

DIRECTIONS FOR USE

SOIL APPLICATION: This product may be applied alone or with pop-up or starter fertilizers, side-dress or water-run fertilizers, broadcast or banded. It will not foul low volume irrigation systems or plug emitters. Repeated reduced rate applications may be more efficient than single higher rate applications.

All Crops: Apply 1-4 quarts per acre as needed.

FOLIAR APPLICATION: For obtaining a quick response to needed micronutrients, foliar applications may be particularly beneficial during periods of peak nutrient demand, to crops growing on soils having poor nutrient availability, or to crops with weakened root systems. Avoid application to crops suffering from moisture, salinity or heat stress. For best results spray when the crop is actively growing, after irrigation or rainfall, and include a high quality adjuvant to maximize coverage and uptake. Applications to certain crops or varieties may result in spotting of foliage or fruit and applications within 30 days of harvest may result in staining of fruit. If unsure of crop safety, then spraying a small area first for observation is advised.

When applying multiple VERSATILE products in a single tank mix, do not exceed 3 quarts per acre for all VERSATILE products. For conventional ground sprayers, use a minimum of 20 gallons of water per 1 quart of product. Higher concentrations may result in burning. For low volume spray equipment (ground or air), use a maximum of 1 quart of product per acre. Burning may occur in low volume sprays.

Field, Row, and Vegetable Crops: Apply 1-2 pints per acre as needed. Use the high rate for more developed plants.

Grapes: Apply up to 1 quart per acre as needed.

Tree Fruit and Nut Crops: Apply 1-2 quarts per acre as needed.

Turf and Ornamentals: Apply 1-2 pints per acre (0.36-0.74 fl oz per 1,000 sq ft) as needed.

All Other Crops: Apply 1-2 pints per acre as needed.

FERTILIZER IMPREGNATION: This product may be used to coat dry fertilizers to maximize distribution uniformity of the desired micronutrients. Rates as high as 1.5 gallons per ton may be used depending on the dry fertilizer to be coated, the blender and prevailing environmental conditions.

COMPATIBILITY: VERSATILE AGRA-MIX 5-0-3 is compatible with many co-applied nutrient sources as well as plant protection products. This product will not precipitate with phosphate fertilizers, unlike unprotected inorganic micronutrient sources. However, it will lose chelate activity if combined with strongly acidic fertilizers such as phosphoric acid, sulfuric acid or urea sulfuric acid. Always jar test new combinations for compatibility prior to field mixing.

KEEP OUT OF REACH OF CHILDREN

 **WARNING:** Causes serious eye irritation. Causes skin irritation.

PRECAUTIONARY STATEMENTS: Wear eye/face protection and protective gloves. Wash thoroughly after handling.

FIRST AID: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. If on skin: Wash with plenty of water. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash it before reuse.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in original container only and keep tightly sealed when not in use. Store locked up and away from incompatible materials. Dispose of contents/container in accordance with federal, state and local regulations.

WARNING: This product contains boron. The use of the fertilizing material on any crops other than those recommended may result in serious injury to the crops.

Information regarding the contents and levels of metals in this product is available on the Internet at <https://www.aapfco.org/metals.html>

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors. **Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.** Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer. To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT. These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
