

FAST BREAK®

Antifoaming/Defoaming Agent

FAST BREAK is a highly effective silicone emulsion for use in most spray application equipment to eliminate foam.

PRINCIPAL FUNCTIONING AGENTS:

Dimethylpolysiloxane	7.7%
Methylated Silicon	2.3%
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANT	90.0%
TOTAL.....	100.00%

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes eye irritation.

PRECAUTIONARY STATEMENTS

Wash hands thoroughly after handling.

FIRST AID

IF IN EYES: Rinse cautiously with water for 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists get medical attention.

In case of medical emergency, call toll free 1-877-424-7452.

ALWAYS SHAKE WELL BEFORE USING

DIRECTIONS FOR USE

The use of FAST BREAK can control foaming of spray mixtures. The reduction of foam can decrease mixing and filling times and reduce material loss caused by foaming over of spray tanks. It can reduce risks of unwanted and unsightly vegetation kills or contamination caused by foaming over.

For foam reduction when mixing spray solutions, add FAST BREAK at the rate of 1 ounce (30 mL) per 100 gallons (378 L) of solution. Water hardness, temperature and spray tank mixture may call for more or less. Adjust the rate until the desired control is achieved. Add FAST BREAK to the partly water-filled tank first and agitate well before adding other products to the spray solution.

If foaming should occur after spray mixture is in tank, FAST BREAK can be applied directly to the surface using the trigger sprayer for fast foam knockdown.

For Emergency, Spill, Leak, Fire, Exposure, or Accident, Call: CHEMTREC 1-800-424-9300

STORAGE

Store above 40° F (4° C). Do not freeze. Store in original container only.

DISPOSAL

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

CONTAINER DISPOSAL:

For recyclable containers:

Do not reuse this container for any purpose. This is a recyclable container and is to be disposed of at a container collection site. Contact your local distributor/dealer or municipality for the location of the nearest collection site. Before taking the container to the collection site:

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Make the empty, rinsed container unsuitable for further use.

If there is no container collection site in your area, dispose of the container in accordance with provincial requirements.

Notice of Warranty

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
