DESCRIPTION

PERFECTION VASEKA CLASSIC 12-8-8 is a granular fertilizer blend designed for professional ornamental growers and landscape use. With a combination of quick- and slow-release nitrogen, equal parts phosphate and potash, secondary nutrients, and essential micronutrients, this blend supports sustained growth. Ideal for both incorporation and topdressing, it performs well across a range of growing conditions and container types.

BENEFITS

- 10% slowly available nitrogen supports extended feeding.
- Suitable for both preplant incorporation and 3–4 month topdress applications.
- Provides secondary and micronutrient coverage.
- Contains humic acids which may aid in the uptake of micronutrients.
- Versatile formulation performs in greenhouses, outdoor containers, and landscape beds.

DIRECTIONS FOR USE

APPLICATION INSTRUCTIONS

- For professional use on residential and commercial landscapes, golf courses, athletic fields, parks, nurseries, greenhouses, and sod farms.
- For best performance, apply to dry plant material and water after application.
- Do not apply directly to an impervious surface.
- Keep away from pools, ponds and any bodies of water. Do not contaminate potable water.
- This product contains iron, which may cause staining. Keep off unwanted areas such as sidewalks, patios, fences, and painted areas. Sweep or blow any residual material on to treated areas after application.

RATE RECOMMENDATIONS

Conduct a soil test prior to application when possible. Always adjust irrigation volume and frequency to maintain appropriate soluble salt levels. Grower judgment and small-scale trials are recommended before widespread use.

INCORPORATION: Apply 8-16 lb per cubic yard of soil or media. For cold greenhouses or low-irrigation environments, use the lower rate and leach periodically (every 3 weeks) to avoid salt buildup.

CONTAINER TOPDRESS: Apply evenly over the container surface, keeping fertilizer away from stems and leaves to prevent burn. Irrigate thoroughly after application. Do not pile the entire dose in one spot.

Container Size	Rate (g)	Standard Measure
1 gallon	10-15 g	½ tablespoon
2 gallons	20-30 g	1 tablespoon
3 gallons	30-45 g	2 tablespoons
5 gallons	50-75 g	¼ cup
10 gallons	100-150 g	½ cup

LANDSCAPE BEDS: Apply 8-16 lb per 1,000 sq ft uniformly over the soil surface.

KEEP OUT OF REACH OF CHILDREN

⚠ WARNING: Causes serious eye irritation.

PRECAUTIONARY STATEMENTS: Wear eye/face protection. Wash thoroughly after handling.

FIRST AID: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in original container only and keep tightly sealed when not in use. Store away from incompatible materials. Dispose of contents/container in accordance with federal, state and local regulations.

Information regarding the contents and levels of metals in this product is available on the Internet at <https://www.aapfco.org/metals.html>

⚠ CALIFORNIA WARNING: Risk of cancer and reproductive harm from exposure to cadmium. See www.P65Warnings.ca.gov

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
