② PRECAUTIONS:

- In case of ingestion, drink water. If abdominal discomfort occurs, please consult your physician. In case of contact with skin, wash with soap and water. In case of contact with eyes, flush for 30 seconds with water
- In case of a spill or leak, flush the area with water and consult local regulations concerning the disposal of soil inoculants.
- **Recommended protective equipment: gloves**
- **KEEP OUT OF REACH OF CHILDREN**

③ STORAGE:

- Store in a cool, dry place between 15°C / 60°F and 35°C / 95°F. Do not expose to direct sunlight.

For distribution and use in Idaho only.

④ INSTRUCTIONS:

B Sure can be mixed with most fertilizers, micronutrients, herbicides, fungicides, insecticides and bio-stimulants for ease of application. If mixing B Sure with any of these, perform a Jar Test to assure compatibility. It is recommended to mix in the following order: fertilizers, chemicals, water and **B Sure**.

Recommended Rates:

Peanuts: Apply 1 Qt/acre at flowering and 1 Qt/acre at pegging. B Sure can be incorporated in standard prevented fungicide program.
Corn, Soybeans, Cotton, Small Grains: Apply 1 Qt/acre at Flowering – Fruiting stage. At least 2 applications per season are suggested.

General application instructions:

One season of general high intensity commercial use, apply a total of:

B Sure : 35 liters per hectare / 3.75 gallons per acre of concentrate
Apply 20% of the total season's product use at the start of the growing season. Apply remaining product evenly in 2 week intervals.

Shake/Agitate before using.

Agrinos highly recommends following a specific application protocol as provided by your representative!

Dispose of this container properly

Net weight / volume:	5.0 / Gallons
Batch number:	123456789A
Manufacture date:	11-11-2010
Expiration date:	11-11-2012

This product is guaranteed, for the validity period marked above, to be free of defects of manufacture, production, quality assurance or other faults. If this product is found to be defective, please return it to your Agrinos representative for replacement.
