Grandstand R

EPA Reg. No. 62719-215

For Distribution and Use Only in the State of Louisiana

Broadleaf Weed Control in Ratoon Rice†

ATTENTION

†The product label for Grandstand R does not specifically address use in ratoon rice. Application to ratoon rice may be made if **ALL** Special Use Precautions in the Label for Grandstand R are followed.

- Read the label affixed to the container for Grandstand R before applying. Carefully follow all precautionary statements and applicable use directions.
- Use of Grandstand R according to this Product Bulletin is subject to all use precautions and limitations imposed by the label affixed to the container for Grandstand R.

Clarification of Directions for Use: Grandstand* R herbicide may be applied to ratoon rice following harvest of a primary crop of rice if **ALL** "Special Use Precautions" in the "General Information" section of the label for Grandstand R are followed. In particular, label directions regarding proper stage of growth for application, maximum use rate per season and preharvest interval must be followed (items 3, 5 and 13 under "Special Use Precautions").
