

**PRINCIPAL FUNCTIONING AGENTS:** Proprietary blend of Silicone Fluids.  
Components exempt from the requirement of a tolerance in 40 CFR 180

#### GENERAL INFORMATION

**REGULATOR** Elite Foam Control Agent is a fast and effective utility adjuvant for suppressing agitation-induced foam and rapidly defusing established foam in agricultural tank mixes. Controlling foam reduces filling time and lessens overflow waste.

**REGULATOR** Elite Foam Control Agent is effective over a broad pH range and can be added before or after foam formation has begun.

#### PRECAUTIONARY STATEMENTS

If medical advice is needed, have product container or label at hand. Read label before use. Wear suitable protective clothing and gloves. Safety glasses with side shields are recommended for medical or industrial exposures. See Safety Data Sheet for further details regarding safe use of this product.

#### FIRST AID

**IF SWALLOWED:** Call a poison control center or doctor if person feels unwell. Rinse mouth.

**IF IN EYES:** Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician.

**IF ON SKIN:** Wash with plenty of soap and water. Treat symptomatically. If skin irritation occurs: Get medical advice or attention.

**IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Call a poison control center or doctor if person feels unwell.

**NET CONTENTS:** \_\_\_\_\_

**USE RATES**  
Use 1-6 oz/100 gallons.

---

#### DIRECTIONS FOR USE

**SHAKE WELL BEFORE USING**

##### To Prevent Foam:

Spray directly into liquid before foaming starts. Add 1 to 2 fluid ounces of **REGULATOR**/100 gallons of spray mixture.

##### To Control Existing Foam:

To control foam once it has started, spray **REGULATOR** in a zig-zag pattern over the top of the foam. A small quantity is generally sufficient to control.

---

#### STORAGE & DISPOSAL

If product freezes, warm to room temperature and agitate before use. Keep containers sealed when not in use. Store away from incompatible materials. Store in original container only or in a corrosive resistant container with a resistant inner liner. Store locked up and in a well-ventilated place. Avoid release into the environment. Do not reuse empty container. Triple rinse (or equivalent) prior to disposal. Decontaminated containers and materials must be disposed of in accordance with all applicable regulations.

#### CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

**Acceptance of Terms** - By purchase or use of this product, buyer and user accept these conditions of sale and limitations of warranty and liability. If these terms are unacceptable, return the product unopened for a refund.

**Warranty Disclaimers** - Rosen's Inc. and seller (collectively "Vendors") warrant that this product conforms to the chemical description on the label. THIS PRODUCT IS SOLD "AS IS" AND VENDORS MAKE NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

**Inherent Risks** - The directions for use must be followed carefully. It is impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to factors beyond the control of Vendors. Buyer and user assume all risks associated with the use or handling of this product.

**Limitations of Liability** - To the extent consistent with applicable law, buyer or user's exclusive remedy for any and all claims, losses, injuries, or damages resulting from the use or handling of this product shall be limited to the purchase price paid, or at the election of Vendors, the replacement of this product. Vendors are not liable for any consequential, incidental, or special damages, including lost profits.
