EPA REG. NO. 66222-54
**FOR CONTROL OF MANY ANNUAL AND PERENNIAL
GRASSES AND HERBACEOUS WEEDS**

SUPPLEMENTAL LABELING

READ THE ENTIRE LABEL FOR **DIREX® 4L HERBICIDE** BEFORE PROCEEDING WITH THE USE DIRECTIONS CONTAINED IN THIS SUPPLEMENTAL LABELING.

"Label" as used in this supplemental labeling refers to the label booklet for DIREX 4L HERBICIDE and this supplement.

FOR USE ON ALFALFA IN IDAHO, OREGON AND WASHINGTON

KEEP OUT OF REACH OF CHILDREN WARNING

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it to you in detail.)

DIRECTIONS FOR USE

- It is a violation of Federal law to use this product inconsistent with its labeling.
- This supplemental labeling must be in the possession of the user at the time of pesticide application.
- Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the EPA registered label.
- These directions can be found on the currently registered EPA Stamped Label.

ALFALFA

Treat only stands established for 1 year or more. Do not apply to seedling alfalfa nor to alfalfa/grass mixtures. Do not apply to alfalfa under stress from disease, insect damage, shallow root penetration (such as on shallow hard pans), alkali spots, nor to flooded fields as crop injury may result. Do not spray on snow-covered or frozen ground. Do not apply to alfalfa more than once per year. Do not exceed 2.4 quarts per acre per year.

Idaho, Oregon, Washington: For control of annual weeds, use 1.2 to 2.4 quarts per acre. Apply after alfalfa becomes dormant and before new growth exceeds two inches in height in the spring.

AERIAL APPLICATION: For alfalfa, barley (winter), cotton (preplant and preemergence only), grass seed crops (PNW only), sugarcane, wheat (winter), and rights-of-way, application may be made by aircraft in a minimum of 3 gallons of water per acre unless otherwise noted. Avoid overlapping of spray watch and avoid application under conditions where excessive drift may occur. Where land is bedded, make application parallel to rows. Aerial application is prohibited on all other sites not listed above.

Read the "**LIMITATION OF WARRANTY AND LIABILITY**" in the label booklet for DIREX 4L HERBICIDE before using.
