GENERAL INFORMATION

FOLI-GRO MEGAWATT 4-11-13 is designed primarily for foliar applications to prevent or correct nutrient deficiencies in a wide range of plants. Application of this product is a means of obtaining a quick response to needed elements. Foliar applications may be particularly beneficial during periods of peak nutrient demand, for crops grown on soils having poor nutrient availability or to crops suffering from a weakened root system.

This product should be used as part of a comprehensive Total Nutrition System® for optimizing soil/nutrient conditions for plant growth, development, yield and quality.

DIRECTIONS FOR USE

FOLI-GRO MEGAWATT 4-11-13 may be applied as a foliar spray by air or by ground, applied through irrigation such as drip or microsprinkler, or applied in-furrow. Maintain agitation to provide uniform distribution within the spray tank. Use of a high-quality Wilbur-Ellis adjuvant at recommended rates is usually advised for optimizing product performance.

Thorough and even spray coverage is essential for maximum nutrient uptake and crop safety. Optimum rate of application and timing of treatments should be based on crop nutrient demand, growth stage, yield potential, environmental conditions, existing plant tissue and/or soil fertility levels, etc. Avoid foliar nutrient application to crops during periods of moisture, salinity or heat stress. Foliar applications to sensitive crops such as leafy vegetables or soft-skinned fruit during periods of excessive temperatures and/or within 30 days of harvest may cause cosmetic injury.

Rain or overhead irrigation following application may cause minor cosmetic leaf shot-holing on *Prunus* species. It is advised that FOLI-GRO MEGAWATT 4-11-13 be diluted with water at no less than 2.5 parts water to 1 part product for foliar applications.

FOLIAR APPLICATIONS

Field and Row Crops: Apply 1-3 gallons per acre as a foliar at vegetative and/or reproductive stages. Multiple applications can be beneficial.

Vegetable Crops: Apply 1-2 gallons per acre with a minimum of 10 gallons of water per gallon of product. Multiple applications can be beneficial.

Tree and Vine Crops (including, but not limited to almonds, grapes, and walnuts): Apply 1-2 gallons per acre with a minimum of 10 gallons per acre per gallon of product. Multiple applications can be beneficial.

SOIL APPLICATIONS

Field and Row Crops: Apply 1-5 gallons at planting in-furrow, broadcast, or banded next to the seed. Before application, consider the total salt index and soil type for the rate of fertilizer application. Apply up to 5 gallons per acre through fertigation in-season.

Vegetable Crops: Apply 1-5 gallons per acre through drip or microsprinkler.

Tree and Vine Crops (including, but not limited to almonds, grapes, and walnuts): Apply 1-5 gallons per acre through drip or microsprinkler during bloom and fruit development.

COMPATIBILITY: Do not apply FOLI-GRO MEGAWATT 4-11-13 in-season with products containing phosphite. This product is not compatible with calcium containing fertilizers or UAN. Consider the following mixing procedure and labeled ratios for superior compatibility:

1. Fill tank with 1/2 of the needed water.
2. Start agitation/recirculation and add the prescribed amount of this product; continue agitation/recirculation during filling and application. If using an induction system, simply induct the product while filling your fertilizer tank.
3. Add the remaining fertilizer and any other products, allowing adequate time to insure complete mixing.

Proposed mixtures should be evaluated in a jar test before full scale use. Consult with your local Wilbur-Ellis representative for further information.

PRECAUTIONARY STATEMENTS

KEEP OUT OF REACH OF CHILDREN

Based on currently available data, this product is not classified as a GHS hazardous substance. However, observe good industrial hygiene practices. Wash hands after handling. Refer to the Safety Data Sheet if first aid instructions are needed.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in original container only and keep tightly sealed when not in use. Store away from incompatible materials. Dispose of contents/container in accordance with federal, state and local regulations.

Information regarding the contents and levels of metals in this product is available on the Internet at <https://www.aapfco.org/metals.html>

⚠ CALIFORNIA WARNING: Risk of cancer and reproductive harm from exposure to cadmium. See www.P65Warnings.ca.gov

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
