Version: 9

## **SAFETY DATA SHEET**

1. Identification:					
Product Identifier:		Piccolo <sup>®</sup>			
Other Means of Identification:		EPA registration number 62097-11-82917			
Distributed by:		Fine Americas, Inc. 1850 Mt. Diablo Blvd., Suite 405, Walnut Creek, CA 94596, USA Tel: 925-932-8800			
Emergency Phone Numb	er:	Chemtrec 1-800-424-9300 (24 hours)			
Recommended Use:		Ornamental plant growth regulator			
Restrictions on Use:		Keep out of reach of children			
2. Hazard(s) Identificatio Standard, 29 CFR 1910.120		is not classified as hazardous as defined by OS	HA Hazard Communication		
Class/Category:	•	Not Classified			
Route of Exposure:		Most likely exposure routes are dermal a	and oral.		
Hazards Not Otherwise (	Classified:	None known			
Signal word:		None			
Symbol(s):		None			
Hazard Statements:		None assigned			
Precautionary Statements:		Prevention: None assigned Response: None assigned Storage: None assigned Disposal: None assigned			
3. Composition:					
This product contains the	following com	oonents classified as hazardous under 29	CFR 1910.1200		
CAS number:		Component:	Percent:		
76738-62-0	Paclobutraz	ol	0.4%		
9084-06-4	Dispersant	1%			
The remainder of the mixt	ure is non-haz	ardous and not required to be disclosed by	y 29 CFR 1910.1200.		
4. First Aid Measures:					
Inhalation:		Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice			
Eyes:		Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. If eye irritation persists get medical advice / attention.			
Skin:		Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice			
Ingestion:		Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything to an unconscious person.			
Symptoms/Effects:		Acute: Not known Delayed: Not known			
Indication of immediate medical		No applicable information			
attention and special treatment					
needed, if necessary:					
<ol><li>Fire Fighting Measure</li></ol>	es:				
Extinguishing Media:		Suitable: For small fires use foam, carbon dioxide, halon or dry powder extinguishers. For large fires use foam or water-			
		fog. Keep fire exposed containers cool by spraying with			

Version: 9

			water.			
		Unsuitable		ter iets.		
Specific Hazards Arising from the Chemical:		Unsuitable: Avoid the use of water jets.  Water used for extinguishing must be retained and not allowed to contaminate water courses. Products of combustion and decomposition: carbon oxides and aldehydes. May evolve hazardous fumes.				
Protective Equipment and		Wear full p	rotective clothing and	self-contained breat	hing apparatus.	
Precautions for Firefighters:						
6. Accidental Release Measures:						
Personal Precautions, Protective Equipment and Emergency Procedures:		Refer to Section 8 "Exposure controls/personal protection".				
Methods for Containment an Clean-Up:	d	media, and contaminat	led material for safe did l collect in sealable poted area with water and sulting from the use of	oly-lined containers. d dispose of waste	Clean water safely.	
		site or at a	n approved waste disp ection 13. Disposal Co	oosal facility.	·	
7. Handling and Storage:						
Precautions for Safe Handling:		Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.				
Conditions for Safe Storage:		Keep container closed when not in use. See also Section 10. Stability and Reactivity.				
8. Exposure Controls/Persor	nal Protec		oonon to oranimity and

13 Disposal Considerations:	Other Adverse Effects:	None known				
To: Disposar Considerations.	13. Disposal Considerations:					
<b>Disposal Instructions:</b> Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.						

Version: 9

	Container disposal: Non-refillable container. Do not reuse or refill this container. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.			begins r 10 or er the en offer anitary

This chemical is a pesticide product registered by the Environmental Protection Agency and is subject to certain labeling requirements under federal pesticide law. These requirements differ from the classification criteria and hazard information required for safety data sheets, and for workplace labels of non-pesticide chemicals. Following is the hazard information as required on the pesticide label.							
EPA signal word:	CAUTION						
Classifications under 40 CFR 156.63 a							
Precautionary Statements:	HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION. Harmful if absorbed through skin. Avoid contact with skin or clothing.						
Pictograms/Symbols:	None						

## **16.** Other Information:

Fine Agrochemicals Limited ("FINE") warrants that this Product conforms to the specifications on this label. To the extent consistent with applicable law, FINE makes no other warranties and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for a particular purpose. No agent of FINE or any other person is authorized to make any representation or warranty beyond those contained herein.

It is impossible to eliminate all risks associated with this Product. Plant injury, lack of performance, or other unintended consequences may result because of factors such as abnormal weather conditions, use of the Product other than in strict accordance with this label's instructions, presence of other materials, the manner of application or other factors, all of which are beyond the control of FINE or the seller. To the extent consistent with applicable law, all such risks shall be assumed by the Buyer.

To the extent consistent with applicable law: 1) FINE disclaims any liability whatsoever for special, incidental or consequential damages resulting from the handling or use of this Product and 2) FINE's liability under this label
