SUBJECT: Continuing Letter of Guarantee
RE: AzaGuard® - EPA Reg. No. 70299-17

To Whom It May Concern:

BioSafe Systems, LLC, the manufacturer of **AzaGuard®**, hereby guarantees that this product meets the specifications claimed on the product labels and is formulated from batches certified in accordance with the applicable regulations promulgated under all applicable regulations.

AzaGuard (EPA Reg. No. 70299-17) is a botanical based insecticide (insect growth regulator) formulated from azadirachtin powder (active ingredient) and inert ingredients (sesame seed oil and food grade surfactants).

AzaGuard is free of other pesticides and compounds not declared on the label due to the manufacturing process whereby the active and inert ingredients do not come into contact with any other pesticidal products. This product is manufactured on dedicated equipment in facilities that do not store any banned pesticides under cannabis regulations.

In addition, AzaGuard is USDA National Organic Program (NOP) compliant for use in food processing operations as per the requirements outlined in 7 CFR §205.206. The active ingredient in AzaGuard, azadirachtin as listed in 40 CFR §180.1119, is US EPA-exempt from the requirement of a tolerance.

Sincerely,

A handwritten signature in blue ink that reads "Miriam Carr".
