SUBJECT: Certificate of Origin

RE: SaniDate® 5.0 - EPA Reg. No. 70299-19

To Whom It May Concern:

This is to certify that all peracetic acid formulations including SaniDate 5.0 that are produced by BioSafe Systems are sourced and originate from the United States and that all materials, ingredients, or other substances used in the production of SaniDate 5.0 are sourced and originate from the United States. In addition, BioSafe Systems is not debarred, suspended or proposed for debarment by any federal, state, local or national government.

BioSafe Systems maintains records as to the quality and the source/originating country of the products supplied and the materials utilized in the manufacturing of such products. BioSafe Systems also declares that it has complied with all laws pertaining to the lawful sale and shipment of the above-mentioned products, has paid all necessary duties and has accurately prepared, filed and otherwise complied with all documentation requirements concerning the sale and shipment of the above-mentioned products.

The undersigned also certifies that he/she has the authority to issue this statement.

Please contact me with any questions.

Sincerely,

A handwritten signature in blue ink that reads "Miriam Carr".

Miriam Carr
Registration & Compliance Manager

This statement expires 1 year from date of issue.
