SUBJECT: Continuing Letter of Guarantee

RE: SaniDate® WTO – US - EPA Reg. No. 70299-19

To Whom It May Concern:

BioSafe Systems, LLC, the manufacturer of **SaniDate® WTO**, hereby guarantees that this product meets the specifications claimed on the product label and is formulated from batches certified in accordance with the applicable regulations promulgated under all applicable EPA regulations.

SaniDate® WTO is a water treatment sanitizer and disinfectant product used in irrigation systems and irrigation water. When diluted and used according to label directions for use, SaniDate® WTO can be injected on the pressure side of any sprinkler or drip irrigation system. SaniDate® WTO can be used prior to planting, during crop production and day of harvest without any restrictions to re-entry or pre harvest interval.

When used according to label directions, workers who handle and apply this product are adequately protected when following the Precautionary Statements and Personal Protective Equipment (PPE) instructions as found on the label. Handlers who may be exposed to the product through mixing, loading, application, or other tasks must wear coveralls over long-sleeved shirt and long pants, rubber gloves, chemical resistant footwear plus socks, and protective eyewear (goggles or face shield). Workers are also protected by the Restricted-Entry Interval (REI) as found on the label and appropriate PPE for early entry into treated areas. First Aid instructions are found on the label directing the user the steps to be taken in the case of accidental worker exposure. As such when used according to the label, no adverse effects are expected to human health, or to the environment.

In addition, **SaniDate® WTO** is USDA National Organic Program (NOP) compliant for use in post-harvest processing as per the requirements outlined in 7 CFR §205.605 and registered with the Organic Materials Review Institute (OMRI). The active ingredients in **SaniDate® WTO**, hydrogen peroxide (H₂O₂) and peroxyacetic acid (PAA), as listed in 40 CFR §180.1197 and 40 CFR §180.1196, are US EPA-exempt from the requirement of a tolerance.

Please contact me with any questions.

Sincerely,

A handwritten signature in blue ink that reads "Miriam Carr".
