SUBJECT: Continuing Letter of Guarantee

RE: TerraGrow® Liquid

To Whom It May Concern:

BioSafe Systems, LLC, located at 22 Meadow St. East Hartford, CT manufactures US EPA registered pesticide products and various agricultural products for use in a number of markets. All products are of US origin and are sold freely within the United States of America.

TerraGrow Liquid is manufactured by BioSafe Systems, LLC in the state of Connecticut, USA, and is subject to and compliant to all applicable laws in the state of Connecticut. This product is classified as a fertilizer, is not a pesticide, and therefore is exempt from the requirement of a US EPA registration per 40 CFR 152.6 (g). This product is compliant with all United States federal and state regulations, and is legal for export from the United States of America, subject to the regulations of the importing country.

TerraGrow Liquid is approved for use in organic production and is approved by Organic Materials Review Institute (OMRI). The active ingredients that make up this product are gluten free, GRAS, Non-GMO and Kosher, with no added sulfites and no residual chemicals present. This product is not derived from animal by-products.

This document does not imply a guarantee for acceptance in the country of importation. All application regulations should be checked with the importing country prior to shipment.

Please contact me with any questions.

Sincerely,
