

Safety Data Sheet NanoCS®

SECTION 1: Identification

1.1 GHS Product identifier

Product name NanoCS®

Brand Aqua-Yield

1.3 Recommended use of the chemical and restrictions on use

Agricultural chemical.

1.4 Supplier's details

Name Nano-Yield
Address 9180 S. Sandy Parkway,
Suite D
Sandy Utah 84070
United States

Telephone (801)-449-9220
email info@nano-yield.com

1.5 Emergency phone number

ChemTel Inc.
+1(800)255-3924 (North America)
+1(813)248-0585 (International)

SECTION 2: Hazard identification

2.1 Classification of the substance or mixture

General hazard statement

Not a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200

GHS classification in accordance with: OSHA (29 CFR 1910.1200)

- Acute toxicity, oral, Cat. 4
- Eye damage/irritation, Cat. 2A
- Acute toxicity, inhalation, Cat. 3
- Hazardous to the aquatic environment, acute hazard, Cat. 2

2.2 GHS label elements, including precautionary statements

Pictograms

1. Exclamation mark

Signal word

Warning

Hazard statement(s)

Harmful if swallowed

Causes serious eye irritation

May cause respiratory irritation

Precautionary statement(s)

Prevention Use only outdoors or in a well-ventilated area. Avoid breathing mist or vapor. Wash thoroughly after handling. Do not eat, drink, or smoke when using this product. Wear eye/ face protection.

Response If swallowed: Call a poison center/doctor if you feel unwell. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Rinse mouth. If irritation persists: Get medical advice/attention.

SECTION 3: Composition/information on ingredients

3.2 Mixtures

Components

1. Proprietary Blend

Concentration	Proprietary
---------------	-------------

2. Potassium Hydroxide

Concentration	Proprietary
CAS no.	1310-58-3

Safety Data Sheet

NanoCS®

3. Phosphous acid

Concentration
CAS no.

Proprietary
13598-36-2

Trade secret statement (OSHA 1910.1200(i))

For the listed ingredient(s), the identity and/or exact percentage(s) are being withheld as a trade secret.

SECTION 4: First-aid measures

4.1 Description of necessary first-aid measures

General advice	In all cases of doubt, or when symptoms persist, seek medical attention. Never give anything by mouth to an unconscious person.
If inhaled	Generally not considered an inhalation hazard. If vapors or mist causes irritation or distress, remove to fresh air. Obtain medical advice.
In case of skin contact	Remove contaminated clothing. Wash skin thoroughly with soap and water or use a recognized skin cleanser. If skin irritation occurs, get medical advice/attention.
In case of eye contact	Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.
If swallowed	Rinse mouth with water. Do not induce vomiting, call a physician or Poison Control Center immediately.

4.2 Most important symptoms/effects, acute and delayed

Direct contact with eyes may cause temporary irritation. Causes mild skin irritation. Gastric or intestinal disorders when ingested.

4.3 Indication of immediate medical attention and special treatment needed, if necessary

Treat symptomatically.

SECTION 5: Fire-fighting measures

5.1 Suitable extinguishing media

Use media suitable to extinguish source of fire. Water fog or spray, or foam.

5.2 Specific hazards arising from the chemical

None. Solution is non-flammable

5.3 Special protective actions for fire-fighters

Use approved self-contained breathing apparatus and full protective gear. Avoid smoke inhalation.

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

Ensure adequate ventilation.

For large spills, wear protective clothing.

Keep unnecessary personnel away. For personal protection, see section 8 of the SDS.

Safety Data Sheet

NanoCS®

6.2 Environmental precautions

Keep out of water supplies, lakes, ponds, streams, and rivers.

6.3 Methods and materials for containment and cleaning up

Promptly mop up or pump up material and place in suitable container for use as a fertilizer or for proper disposal in accordance with local, state, and federal regulations. .

Reference to other sections

See Section 7 for information on safe handling.

See Section 8 for information on personal protection equipment.

See Section 13 for disposal information.

SECTION 7: Handling and storage

7.1 Precautions for safe handling

Avoid contact with eyes. Use only in well ventilated areas. Wash thoroughly after handling. Avoid prolonged or repeated contact with the skin. Keep Out of Reach of Children. Other Precautions: Transfer using chemical-resistant plastic or stainless-steel tanks, pumps, and valves. Avoid containers, piping, or fittings made of aluminum, copper-containing alloys, or galvanized steel.

7.2 Conditions for safe storage, including any incompatibilities

Store in cool, dry area. Keep container closed when not in use. Keep Out of Reach of Children. Store in temperatures between 40 and 78 degrees°F. Avoid overheating or freezing.

SECTION 8: Exposure controls/personal protection

8.1 Control parameters

8.2 Appropriate engineering controls

Adequate ventilation required to maintain a fresh airflow. Take measures to minimize exposure. Provide a source of clean water for flushing eyes and skin like an eye wash station.

8.3 Individual protection measures, such as personal protective equipment (PPE)

Respiratory Protection: If mist or dust conditions should be present use respirator approved by NIOSH.

Eye Protection: Goggles or face shield.

Skin Protection: Adequate clothing should be worn to prevent skin contact.

Other Protective Clothing or Equipment: Eye bath, safety shower.

Work Hygienic Practices: Wash all clothing before wearing. Wash all exposed skin surfaces with soap and water after using this product.

SECTION 9: Physical and chemical properties

Appearance, such as physical state and colour	Clear/ liquid
Odour	Moderate
Odour threshold	No data available.
pH	6.2-7.2
Melting point and freezing point	No data available.
Initial boiling point and boiling range	No data available.

Safety Data Sheet

NanoCS®

Flash point	No data available.
Evaporation rate	No data available.
Flammability, in the case of solids and gases	No data available.
Upper and lower flammability or explosive limits	No data available.
Vapour pressure	No data available.
Vapour density	No data available.
Relative density	1.10
Solubility	Miscible in water
Partition coefficient — n-octanol/water	No data available.
Auto-ignition temperature	No data available.
Decomposition temperature	No data available.
Viscosity	No data available.

Additional properties

Physical state	Liquid
Colour	Amber
Explosive properties	No data available.
Oxidising properties	No data available.

Further safety characteristics (supplemental)

No data available.

SECTION 10: Stability and reactivity

10.1 Reactivity

The product is stable and non-reactive under normal conditions of use, storage and transport.

10.2 Chemical stability

Material is stable under normal conditions.

10.3 Possibility of hazardous reactions

Reacts with strong acids and bases.

Reacts with strong oxidizing agents.

Toxic fumes may be released if heated above the decomposition point.

10.4 Conditions to avoid

Contact with incompatible materials.

10.5 Incompatible materials

Strong Acids or alkali and strong oxidizers. Water-reactive materials.

10.6 Hazardous decomposition products

Ammonia, Carbon monoxide, carbon dioxide, nitrogen oxides, and phosphorous oxides.

SECTION 11: Toxicological information

Information on toxicological effects

Acute toxicity

Based on available data, the classification criteria are not met.

Skin corrosion/irritation

Causes mild skin irritation.

Safety Data Sheet

NanoCS®

Serious eye damage/irritation

Slight irritant effect on eyes.

Respiratory or skin sensitization

Based on available data, the classification criteria are not met.

Germ cell mutagenicity

No data available to indicate product or any components present at greater than 0.1% are mutagenic or genotoxic.

Carcinogenicity

Based on available data, the classification criteria are not met.

Reproductive toxicity

Based on available data, the classification criteria are not met.

Specific target organ toxicity (STOT) - single exposure

No data available.

Specific target organ toxicity (STOT) - repeated exposure

No data available.

Aspiration hazard

No data available.

Additional information

This product has no known adverse effect on human health.

SECTION 12: Ecological information

Toxicity

This product is not classified as environmentally hazardous. However, this does not exclude the possibility that large or frequent spills can have a harmful or damaging effect on the environment.

Persistence and degradability

No data available.

Bioaccumulative potential

No data available.

Mobility in soil

No data available.

Results of PBT and vPvB assessment

Not applicable

Other adverse effects

No other adverse environmental effects (e.g. ozone depletion, photochemical ozone creation potential, endocrine disruption, global warming potential) are expected from this component.

SECTION 13: Disposal considerations

Disposal methods

Packaging disposal

Recommendation: Disposal must be made according to official regulations.

Recommended cleansing agent: Water, if necessary with cleansing agents.

Waste treatment

The user of this material has the responsibility to dispose of unused material, residues and containers in compliance with all relevant local, state and federal laws and regulations regarding treatment, storage and disposal for hazardous and nonhazardous wastes.

SECTION 14: Transport information

DOT (US)

Not dangerous goods

IMDG

Not dangerous goods

IATA

Not dangerous goods

SECTION 15: Regulatory information

15.1 Safety, health and environmental regulations specific for the product in question

Exposure could cause irritation but only minor residual injury even if no treatment is given.

15.2 Chemical Safety Assessment

No relevant information available.

SECTION 16: Other information

Last Revised:
09/25/2024

16.1 Further information/disclaimer

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship. This safety data sheet provides health and safety information. The product is to be used in applications consistent with best farming practice. Individuals handling this product should be informed under COSHH of the recommended safety precautions and should have access to this information. The product information data sheet is to the best of Nano-Yield's knowledge correct as at the date of publication. Neither Nano-Yield, importer or local supplier accepts liability for any loss or damage resulting from reliance on this information. Further information on this product may be obtained from the supplier whose name, address and telephone number will be found on the product container. The information provided herein is offered solely for your consideration, investigation and verification. This information herein is provided by Nano-Yield in good faith as accurate at the time of writing but without guarantee. This information includes information which has been generated by other parties and provided to Nano-Yield and which Nano-Yield has not independently verified. The information provided herein relates only to the specific product designated and may not be valid if the product is used in combination with any other materials or in any process.
