

Safety Data Sheet NanoCote™ Core

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier

Product name	NanoCote™ Core
Brand	NanoCote™

1.2 Relevant identified uses of the substance or mixture and uses advised against Agricultural Chemicals

1.3 Details of the supplier of the safety data sheet

Name	Nano-Yield
Address	9180 Sandy Parkway Suite D Sandy, Utah 84070 United States
Telephone	(801) 449-9220
email	info@nano-yield.com

1.4 Emergency telephone number

ChemTel Inc.
+1(800)255-3924 (North America)
+1(813)248-0585 (International)

SECTION 2: Hazards identification

General hazard statement

The product is not classified as hazardous according to the Globally Harmonized System (GHS).

2.1 Classification of the substance or mixture

Classification according to: OSHA (29 CFR 1910.1200)

This product does not meet the criteria for GHS classification in accordance with: OSHA (29 CFR 1910.1200).

2.2 Label elements

Labelling according to: OSHA (29 CFR 1910.1200)

Safety Data Sheet

NanoCote™ Core

This product does not meet the criteria for GHS classification in accordance with: OSHA (29 CFR 1910.1200).

2.3 Other hazards

This product does not meet the criteria for GHS classification in accordance with: OSHA (29 CFR 1910.1200).

SECTION 3: Composition/information on ingredients

3.2 Mixtures

There are no ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified and hence require reporting in this section.

SECTION 4: First aid measures

4.1 Description of first aid measures

General notes	In all cases of doubt, or when symptoms persist, seek medical attention. Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice. Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves.
Following inhalation	If large amounts are inhaled, remove victim to fresh air and keep at rest in a position comfortable for breathing. Obtain medical attention if irritation develops or persists.
Following skin contact	Remove contaminated clothing. Drench affected area with water for at least 15 minutes. Wash contaminated clothing before reuse. Obtain medical attention if irritation develops or persists.
Following eye contact	Immediately flush eyes with water for at least 15 minutes. Remove contact lenses, if present and easy to do so. Obtain medical attention if irritation develops or persists.
Following ingestion	Do not induce vomiting. Rise out mouth and then drink plenty of water. Get medical attention and call Poison Center if irritation develops and persists.

4.2 Most important symptoms and effects, both acute and delayed

No relevant information available.

4.3 Indication of any immediate medical attention and special treatment needed

Treat symptomatically. If medical advice is needed, have product container or label at hand.

SECTION 5: Firefighting measures

5.1 Extinguishing media

The product is not flammable. Use extinguishing media appropriate for surrounding fire.

5.2 Special hazards arising from the substance or mixture

No relevant information available.

Safety Data Sheet

NanoCote™ Core

5.3 Advice for firefighters

Self-contained breathing apparatus and full protective clothing should be worn when fighting chemical fires.

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

Avoid inhalation of spray mist and contact with skin and eyes. Ensure adequate ventilation. Wear suitable protective clothing, gloves, and eye/face protection. Stop leak if safe to do so. Eliminate ignition sources. Evacuate unnecessary personnel. For personal protection, see section 8 of the SDS.

6.2 Environmental precautions

No special measures required.

6.3 Methods and material for containment and cleaning up

Wipe up small spills with paper towel and discard. For larger spills, add sawdust, chalk, or other inert binding material, then sweep up and discard. Dispose of the collected material according to regulations.

6.4 Reference to other sections

See Section 7 for information on safe handling.

See Section 8 for information on personal protection equipment.

See Section 13 for disposal information.

SECTION 7: Handling and storage

7.1 Precautions for safe handling

Proper PPE should be worn while handling. Avoid inhalation of vapors/sprays and contact with skin and eyes. Use only with adequate ventilation. Wash hands and other exposed areas with mild soap and water before eating, drinking, or smoking and again when leaving work. Keep out of reach of children.

7.2 Conditions for safe storage, including any incompatibilities

Store in a dry, cool and well-ventilated place. Protect containers from physical damage. Keep container tightly closed. Do not store above 25°C (77°F) for maximum storage life. Protect from freezing. Store away from food and feed.

7.3 Specific end use(s)

Industrial uses: None identified

Professional uses: Foliar and Soil Nutrient

SECTION 8: Exposure controls/personal protection

8.1 Control parameters

8.2 Exposure controls

Appropriate engineering controls

No relevant information available.

Individual protection measures, such as personal protective equipment

Eye and face protection

Follow relevant national guidelines concerning the use of protective eyewear.

Skin protection

Safety Data Sheet

NanoCote™ Core

Not required under normal conditions of use.

Body protection

Not required under normal conditions of use.

Respiratory protection

Not required under normal conditions of use.

SECTION 9: Physical and chemical properties

9.1 Information on basic physical and chemical properties

Physical state	Liquid
Appearance	Clear/Liquid
Colour	Orange
Odour	Moderate
Odour threshold	Not determined
Melting point/freezing point	Not determined
Boiling point or initial boiling point and boiling range	100°C (212°F)
Flammability	Not applicable
Lower and upper explosive limit	Not determined
Flash point	Not determined
Auto-ignition temperature	Not determined
Decomposition temperature	Not determined
Oxidising properties	non-oxidizing
pH	6.7-7.3
Kinematic viscosity	Not determined
Solubility	Soluble with water
Partition coefficient n-octanol/water (log value)	Not determined
Vapour pressure	Not determined
Evaporation rate	Not determined
Density and/or relative density	1.00
Relative vapour density	Not determined

Particle characteristics

Not determined

9.2 Other information

9.2.1 Information with regard to physical hazard classes

9.2.2 Other safety characteristics

SECTION 10: Stability and reactivity

10.1 Reactivity

Stable and non-reactive under normal conditions.

10.2 Chemical stability

Stable under normal temperatures and pressures.

10.3 Possibility of hazardous reactions

Safety Data Sheet

NanoCote™ Core

No dangerous or hazardous reaction under normal conditions.

10.4 Conditions to avoid

No relevant information available.

10.5 Incompatible materials

No relevant information available.

10.6 Hazardous decomposition products

Possible in traces.

SECTION 11: Toxicological information

11.1 Information on hazard classes as defined in: OSHA (29 CFR 1910.1200)

Acute toxicity

Based on available data, the classification criteria are not met.

Skin corrosion/irritation

Based on available data, the classification criteria are not met.

Serious eye damage/irritation

Based on available data, the classification criteria are not met.

Respiratory or skin sensitization

Based on available data, the classification criteria are not met.

Germ cell mutagenicity

Based on available data, the classification criteria are not met.

Carcinogenicity

Based on available data, the classification criteria are not met.

Reproductive toxicity

Based on available data, the classification criteria are not met.

STOT-single exposure

Based on available data, the classification criteria are not met.

STOT-repeated exposure

Based on available data, the classification criteria are not met.

Aspiration hazard

Based on available data, the classification criteria are not met.

11.2 Information on other hazards

SECTION 12: Ecological information

12.1 Toxicity

This product is not classified as environmentally hazardous.

12.2 Persistence and degradability

No relevant information available.

Safety Data Sheet

NanoCote™ Core

12.3 Bioaccumulative potential

No relevant information available.

12.4 Mobility in soil

This product is water soluble and may disperse in soil.

12.5 Results of PBT and vPvB assessment

No relevant information available.

12.6 Endocrine disrupting properties

No relevant information available.

12.7 Other adverse effects

No relevant information available.

SECTION 13: Disposal considerations

13.1 Waste treatment methods

Product disposal

Dispose of waste material in accordance with local, regional, national, provincial, territorial, and international regulations. Do not allow this material to drain into sewers/water supplies.

Packaging disposal

Since emptied containers may retain product residue, follow label warnings even after container is emptied.

Waste treatment

Disposeal recommendations are based on material as supplied. Disposal must be in accordance with current applicable laws and regulations, and material characteristics at time of disposal.

SECTION 14: Transport information

14.1	UN Number	None
14.2	UN Proper Shipping Name	None
14.3	Transport hazard class(es)	None
14.4	Packing group	None
14.5	Environmental hazards	None
14.6	Special precautions for user	None
14.7	Maritime transport in bulk according to IMO instruments	None

SECTION 15: Regulatory information

SECTION 16: Other information

Further information/disclaimer

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship. This safety data sheet provides health and safety information. The product is to be used in applications consistent with best farming practice. Individuals handling this product should be informed under COSHH of the recommended safety precautions and should have access to this information. The product information data sheet is to the best of Nano-Yield's knowledge correct as at the date of publication. Neither Nano-Yield, importer or local supplier accepts liability for any loss or damage resulting from reliance on this information. Further information on this product may be obtained from the supplier whose name, address and telephone number will be found on the product container. The
