Landscape Areas, Roadsides, Nurseries, Flower Beds, Groundcovers,
Interiorscapes, Parks, Sports Fields, Golf Courses, and Commercial and
Residential Turf**

DIRECTIONS FOR USE

- It is a violation of Federal law to use this product inconsistent with its labeling.
- This product bulletin must be in the possession of the user at the time of pesticide application.
- Read the "Limitation of Warranty and Liability" in the label booklet for **Vendra™ //** before using.
- Use of this product according to this bulletin has not been reviewed or endorsed by the Office of the Indiana State Chemist.
- Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the EPA registered label.

For postemergence control of Orchardgrass and Dallisgrass, apply **Vendra™ //** at 16-24 fl oz/acre with a non-ionic surfactant to actively growing grass weeds. Applications can be repeated after 28 days.
