Organic BioLink® All-Purpose Fertilizer 3-3-3 Plus Micronutrients is suitable for use in organic farming.

Organic BioLink® All-Purpose Fertilizer 3-3-3 Plus Micronutrients is designed to:

Improve root and seedling vigor • Improve transplant vigor • Improve flowering and improve fruit set • Encourage growth in nutrient stressed plants.

GUARANTEED ANALYSIS

Total Nitrogen (N)	3.0%
3.0% Water Soluble Nitrogen	
Available Phosphate (P ₂ O ₅)	3.0%
Soluble Potash (K ₂ O)	3.0%
Magnesium (Mg)	0.5%
Boron (B)	0.02%
Copper (Cu)	0.05%
Iron (Fe)	0.1%
Manganese (Mn)	0.05%
Molybdenum (Mo)	0.0005%
Zinc (Zn)	0.1%

DERIVED FROM: Soy protein hydrolysate, phosphate rock, sulfate of potash, potassium-magnesium sulfate, sodium borate, copper sulfate, ferrous sulfate, manganese sulfate, sodium molybdate, zinc sulfate.

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes Eye Irritation.

PRECAUTIONARY STATEMENT

Wash thoroughly after handling product. Do not ingest. Avoid contact with skin, eyes, and clothing. Waterproof gloves and face protection.

FIRST AID

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If irritation persists, call a poison control center or doctor for treatment advice.

NOTICE OF WARRANTY – SAN Group Biotech USA, Inc. warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of SAN Group Biotech USA, Inc. In no case shall SAN Group Biotech USA, Inc. be liable for consequential, special or indirect damages resulting from the use or handling of this product. SAN Group Biotech USA, Inc. makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.

DIRECTIONS FOR USE

SHAKE VIGOROUSLY BEFORE USING.

CAUTION

This product contains boron and molybdenum, which may be harmful to certain crops. Contact your local county agency for specific information. This product should only be used according to label instructions.

Organic BioLink® All-Purpose Fertilizer 3-3-3 Plus Micronutrients can be applied to all food and non-food crops such as brassica (cole), berries, citrus, cucurbits, field vegetables, fruiting vegetables, fruit trees, grapes (raisin, table and wine), leafy vegetables, root and tuber vegetables, row crops, strawberries, tree nuts, ornamental trees, shrubs, flowers, containerized plants, lawns, and turf.

Foliar Application: Apply 1 to 4 quarts per acre. Apply to plant foliage to the point of run-off starting at the 4-leaf stage in vegetables. For trees and vines apply at the beginning of bloom; repeat every 10 to 14 days throughout the growing season as needed.

Soil Application: Apply 1 to 4 gallons per acre. Drench soil around base of plants or trees, can be applied through the irrigation system. Begin applications at planting, transplanting or in spring at beginning of root flush. Repeat application every 10 to 14 days throughout the season as needed.

Nursery & Container: Apply 2 oz. per gallon of water. Apply to plant foliage to point of run-off starting at 4th leaf stage in flowers and container plants. Also apply at beginning of bloom for fruiting and flowering trees and shrubs. Repeat application every 10 to 14 days throughout the season as needed.

NOTICE: Perform a phytotoxicity test on a small plot before large-scale application. To lower the risk of phytotoxicity, applications should be made early morning or late evening.

Note: The above recommendations may vary depending upon soil type, climate, and cultural practices. Foliar applications should be supplemented with soil applications. For stressed plants, trees or lawns, you may wish to reduce dosage and increase the frequency of applications for the first few months.

Compatibility: Always conduct a compatibility jar test before mixing **Organic BioLink® All-Purpose Fertilizer 3-3-3 Plus Micronutrients** with new products.

CA Prop 65 - WARNING: This product may contain heavy metals known to the State of California cause cancer or birth defects or other reproductive harm. www.P65Warnings.ca.gov Information regarding the contents and levels of metals in this product is available on the Internet at <https://www.aapfo.org/metals.html>

STORAGE & DISPOSAL

Store out of reach of children. Do not contaminate water, food or feed by storage, disposal. Store in original container out of direct sunlight. Keep out of reach of children. Triple rinse and puncture empty container. Dispose of contents and empty containers.
